### Educational Happenings & Community Involvement Activities

- Field Day 2019 was a great success! Parent/Community volunteers came out to help run activities & the students had a fantastic time. Thank you to Mr. Bittner for organizing the event & to Mr. Sole for his support!
- Spring benchmarks are completed and the Bullock staff assisted in developing class lists for the upcoming school year. The staff did a fantastic job. Each step of this process is outlined below:
  1. Classroom teachers meet to place students into groups based on reading level, demographics & behaviors. Dialog takes place throughout the process regarding individuals so that each student receives a teacher best suited to his/her personality.
  2. A second meeting takes place with BSI, Specialists, Nurse, and Counselor to review the lists. A classroom teacher is also present to monitor academic student groups as any changes are made.
  3. The final list is reviewed over the summer by building administration.
