# Educational Happenings & Community Involvement Activities

- Our first wave of laptops were distributed to families during September's *Meet & Greet* event! We had a fantastic turnout and our students got to spend a few (socially distanced) minutes with their new teachers.
- Bullock hosted two *Real Talk w/the Principal* sessions (our PAC) during September. Feedback and dialog was supportive, positive and productive. As I tell the families at the start of each meeting, there's only one rule: *Come from a place of positivity and possibilities!*
- Back-to-School Night also took place in September and was (VIRTUALLY) perfect! Families got to Zoom-in with teachers in small groups, participated in a presentation with me & even meet with Special Areas and Related Services faculty.
