### Educational Happenings & Community Involvement Activities

- Bullock will be celebrating Black History Month by hosting the following events:
  - African American Read-in: Parents/Community members are visiting Bullock (virtually) to read texts written by/about African Americans.
  - Black History events will be taking place within classrooms that included various texts, guest speakers from the Glassboro community & projects/presentations.
- Students celebrated MLK, Jr. Day with a video giving thanks to the Glassboro community for all they are doing for our families! Click [here](#) to view! Bullock also partnered with GHS to produce a video sharing Dr. King's speech on jazz. Click [here](#) to view!
- As the winter hit, we've noticed that our remote students have been in need of some fresh supplies...pencils may be broken, dry-erase markers are dried out and math workbooks have been completed. On the afternoon of 1/29, Bullock's students went "asynchronous" so that materials could be distributed to our fully remote (Track-C) families. The event was held in the gym (adhering to all COVID health/safety protocols) and was well attended.
