Educational Happenings & Community Involvement Activities

- New Technology in Gr3: Clear Touch Panels have been installed & teacher training took place this month. This fantastic tool has helped to make simulcasting a breeze for our faculty & promises to be just as useful in supporting student engagement in the future. We are currently looking to order additional devices for Grades 1 & 2.
- NJ-CAP (Child Abuse Prevention) lessons took place via zoom this month after the Bullock faculty & PAC participated in training. During this month's lessons, students learned that all children deserve to be *Safe, Strong and Free* from abuse, neglect and bullying. Click [here](#) to visit their site and learn more about this fantastic state program.
