Educational Happenings & Community Involvement Activities

- Bullock participated in this year's Science Fair and (although it was a virtual event) we had many participants and students had a blast! Click [here](#) to view the elementary winners (just scroll down through the Buzz).
- Bullock celebrated Teacher Appreciation Week with a mobile teacher brunch and themed days! Everyone had a blast and felt the love.
- Select staff members participated in annual CPR & Handle w/Care (behavior de-escalation) Training this month.
- Bullock's annual SUN-sational Family Night took place this month and was VIRTUALLY perfect. Turnout was strong and families received great recommendations on how to keep their children learning (and having fun) over the summer. Click [here](#) to view the flyer...and THANK YOU to Ms. Masso and her team for organizing this event!
- Ahhh...finally getting back to some normalcy! The Kindergarten students from Rodgers had the opportunity to visit Bullock! We did smaller groups this year to allow for social distancing. Each day, two classes participated in mindfulness & a read aloud with the principal, and took a tour of the building led by our 3rd graders! Click [here](#) to see some pictures of the event!
- EOY MAP Testing took place and we are in the process of completing student placement forms for the fall.
