Educational Happenings and Community Involvement Activities

- Grade levels have met in PLCs to collaborate and plan for our new Wit and Wisdom Language Arts Curriculum and our PhD Science Curriculum
- October 5th - we held our Bullock PAC meeting where parents and community members were invited to come share ideas and concerns. We had approximately 6 parents in attendance and are hoping to have more attend the next meeting in December.
- October 22nd – We had our Star Student luncheon where we celebrated students who were nominated by their teachers. Each grade level had lunch with Mrs. Marchese and received certificates. Letters were mailed home to their families prior to the luncheon.
- October 28th - I had a meeting with our Bullock PTO officers. We are planning to have our first virtual meeting next week.
- October 29th – We celebrated Halloween with an indoor parade. Each grade level had the opportunity to walk around the building while other students sat in the hallway watching/cheering. Students who could not participate, due to parent requests, played different games in the gym with Mr. Bittner and Mrs. Castro.
