Board Report – July 2022

Submitted by Kelly Ann Marchese

Educational Happenings and Community Involvement Activities

- Our ESY program started July 11th, providing services to our special education students for part of the summer to help with summer slide; our Enrichment Summer Program servicing Title 1 students is taking place at Rodgers due to construction
- Planning is taking place to prepare for our new school year – faculty and parent newsletters are being created and our website updated to reflect grades 1 to 5
- Student placements are completed; scheduling is nearing completion – we have a meeting on July 20th to finalize our schedule

Staff Training and Committee Meetings

- Currently I am attending a professional development seminar at Rowan, that will run for 3 days in July, that focuses on Leadership in Challenging Times
- Staff were surveyed for interest regarding participation in building committees – we are using that survey to develop our SLT, ScIP, School Safety and Climate, PDS and I and RS committees
- Observation schedules are being developed
- Interviews are occurring to fill positions within the building – staff members have been included in the process.

Facilities and Operations – see Mr. Booth’s monthly report
