The deletion of two department members was explained as was the impact it would have on class sizes. Every effort will be made to have these teachers teaching subjects they are familiar with. Ms. Spadafora will teach the African American History course in the Spring.

Band

The GHS Band did a fine job playing for the Graduation Ceremony.

OPERATIONS:

Tennis courts are a concern as the cracks are getting bigger on the playing courts.

Track surface has cracks that will need repair in the summer. Photos are available.

Stadium lights will be serviced in late June with at least 3 lamps being replaced. Service budgeted in 2015-16 budget.

Looking to have work done on the old freshman softball field (at Bowe School) so that the JV softball team has a field to play home games and practice. Currently, they use the JV baseball field that needs maintenance on the skinned infield because rocks continue to come up and they pose possible injury liability. I am exploring the idea that the softball field can be restored through a community service project by team members, students and parent volunteers (Little League Softball).

JV baseball field at Bowe School is in need of maintenance to remove rocks.

FACILITIES:

Visit was made by district architects to determine scope of the upcoming project.
