### INSTRUCTION / STUDENT NOTES:

#### Guidance

The 2015-16 master scheduling process was completed.

#### Business

The Seeds to Success Program has ended and was a great experience for all involved.

#### Band

The GHS Band has begun preparing for the upcoming Marching Band season.

#### STEM

Nine students attended the inaugural Rowan University STEAM conference for three weeks.

### OPERATIONS:

Tennis courts are a concern as the cracks are getting bigger on the playing courts.

Track surface has cracks that will need repair in the summer. Photos are available.

Looking to have work done on the old freshman softball field (at Bowe School) so that the JV softball team has a field to play home games and practice. Currently, they use the JV baseball field that needs maintenance on the skinned infield because rocks continue to come up and they pose possible injury liability. I am exploring the idea that the softball field can be restored through a community service project by team members, students and parent volunteers (Little League Softball).
