CURRICULUM AND INSTRUCTION (C&I)

- Ongoing data meetings within departments
- AVID Focus on a school-wide integration of AVID strategies (i.e., building a common language), paying particular attention to student-centered learning activities.
- Dual Credit meeting with CCC
 - Note Students who enroll in dual credit with Camden County College will be given the grade earned at GHS on their college transcripts.

OPERATIONS

Drills were carried out in accordance with N.J.S. 18A:41-1 and pursuant to C.App:9-86.

FACILITIES

- The Culinary Arts room is awaiting new sinks and counters.
- Health Office—A new health office is needed immediately to ensure student confidentiality and adequate storage space.
- Outdoor restrooms should be considered. Outdoor facilities would eliminate the need to rent portable restrooms and allow GHS to host larger events in the future, including our graduation ceremony.
- Field drainage continues to be an issue.
- New bleachers in the stadium should be considered on both the home and visitor sides, as they are currently not ADA-compliant.
- A new sound system and additional voltage are needed in the stadium.

PUPIL PERSONNEL SERVICES (Guidance/SAC/CST)

 Due to the tragic loss of two students, guidance and CST have been focused on grief counseling.
