- African American History Classes went to the Peter Mott House and Johnson House (Underground Railroad Sites).
- Focus - Fostering Student Independence

OPERATIONS

- Drills were carried out in accordance with N.J.S. 18A:41-1 and pursuant to C.App:9-86.

FACILITIES

- The Culinary Arts room is awaiting new sinks and counters.
- The plumbing in the Culinary Arts room must be addressed—down to three stations due to pipes.
- Health Office—A new health office is needed immediately to ensure student confidentiality and adequate storage space.
- Outdoor restrooms should be considered. Outdoor facilities would eliminate the need to rent portable restrooms and allow GHS to host larger events in the future, including our graduation ceremony.
- Field drainage continues to be an issue.
- New bleachers in the stadium should be considered on both the home and visitor sides, as they are currently not ADA-compliant.
- A new sound system and additional voltage are needed in the stadium.
