COMMITTEE MEETINGS

The following committee meetings have been occurring weekly in efforts to prepare and plan for the reopening of school:

- Curriculum Restart Committee
- 6-12 Curriculum Committee

CURRICULUM AND INSTRUCTION (C&I)

- GHS is working closely with guidance and staff to develop a plan for reopening that meets the needs of all students with a strong focus on our Little Bulldogs Program, Academies, and A/B day classes.

ATHLETICS/VISUAL AND PERFORMING ARTS (V&PA)

- As we prepare to enter Phase II of NJSIAA's Return to Play plan, we are working to implement a screening process.
 - Anticipated start of practice - August 10th.

OPERATIONS

- Safety & Security Drills

FACILITIES

- GHS is currently in the process of reallocating closet space to make room for PPE and necessary supplies to prepare for the upcoming school year.
- A location for a second health office (isolation room) has been identified.
- Health Office – New lighting is requested as the room is dim. It is also recommended that the walls be repaired and painted due to flaking. Finally, it is imperative that proper storage cabinets be added, as storage is required for medical supplies that are currently exposed. The room could be addressed by replacing/adding two sets of cabinets (L Shaped) with new sinks (plumbing already exists) to replace the inefficient cabinets.

COMMUNITY

- GHS hosted a Drive-In and Drive-Through Graduation that was well-received by students, parents, and the community. A follow-up survey was sent to determine interest for a July celebration, with the majority reporting that a July celebration was not needed.
