- Health Office - A new health office is needed in the immediate future to ensure student confidentiality and adequate storage space.
- Music Rooms - In order to properly store and maintain our instruments, new cabinets are requested. In addition, the flooring needs to be replaced.
- Adaptive Gym (Auxiliary Gym) – Padding (walls) and flooring should be considered for replacement.
- Media Center - New flooring, layout, furniture, technology, and shelves are essential to meet our students' needs.
- Outdoor restrooms and a new concession should be considered. Outdoor facilities would eliminate the need to rent portable toilets and allow GHS to host larger events in the future, including our graduation ceremony.
- Gymnasium - Floor, and bleachers should be considered for replacement.
- TV Tech/ LIFE Program - To meet the programs' curricular needs, it is requested that these areas be redesigned, and new equipment purchased.
