CURRICULUM AND INSTRUCTION (C&I)

- GHS has fully transitioned to our new LMS - Schoology
- Weekly department meetings give staff a platform to work collaboratively on all aspects of instruction

ATHLETICS/VISUAL AND PERFORMING ARTS (V&PA)

- A new mascot is requested to help promote school spirit and promote our brand. Compared to local high schools, our costume is in need of an upgrade. Within the past few years, high schools have moved to foam/rubber costumes.
- Fall sports are in full swing, with senior night occurring at the beginning of the season.
- Six Glassboro High School Band students applied for acceptance into the 2020 Rowan Windfest. They were all accepted and will participate in this year's event. The format will be virtual and will include instruction and master classes. [Rowan Windfest 2020](#). The students are Julianna Menna, Andrew Ritter, Connor Cairns, Carter Profico, Mayooran Mohanakanthan, and Nyah Ellis. The event takes place on October 31st and November 1st.

OPERATIONS

- Safety & Security Drills (See Attached Report)

FACILITIES

- Health Office - A new health office is needed in the immediate future to ensure student confidentiality and adequate storage space.
- Music Rooms - In order to properly store and maintain our instruments, new cabinets are requested. In addition, the flooring needs to be replaced.
- Adaptive Gym (Auxiliary Gym) – Padding (walls) and flooring should be considered for replacement.
- Media Center - New flooring, layout, furniture, technology, and shelves are essential to meet our student's needs.
- Outdoor restrooms and a new concession should be considered. Outdoor facilities would eliminate the need to rent portable restrooms and allow GHS to host larger events in the future, including our graduation ceremony.
- Gymnasium - Floor and bleachers should be considered for replacement.
- TV Tech/ LIFE Program - To meet the programs' curricular needs, It is requested that these areas be redesigned and new equipment purchased.
- Classrooms/Furniture - It is recommended that all classrooms be provided with new teachers' desks and chairs due to their condition. It is further recommended that new bulletin boards be installed in each classroom to help with the building's upkeep by allowing space for student work, rather than taping/adhering posters to walls, which in turn causes damage.
