**CURRICULUM AND INSTRUCTION (C&I)**

Focus Areas:

- Unit Plans & Curriculum Rewrites

Graduation Assessment Requirement (uncleared seniors):

- To date, we have fourteen (14) seniors who have not met their graduation assessment requirements set forth by the State of New Jersey. Started the year off with 42. To assist these seniors, the following supports are being offered: Enrollment in Test Prep, assistance with ACT/SAT registration, SAT tutoring, and portfolio assistance. Additionally, GHS hosts the ACT/SAT to allow for ease of access.

Dual Credit

- GHS recently had eleven (11) courses approved for dual credit with RCSJ. In addition to this new partnership, GHS students have the opportunity for dual credit with Rowan (three courses) and Camden County College (one course). At this time, we are awaiting the approval of instructors.
- Early Childhood Education - Rodgers and GHS have partnered to provide GHS students in their Early Childhood Education class a practical classroom experience. Each Kindergarten class has been assigned two high school students that will come from 12:30 – 1:30 pm each day. Their responsibilities include working with individuals or small groups, doing bulletin boards, observing classroom instruction, setting up classroom equipment, escorting students to the nurse or office, introducing a segment of a lesson, assisting individual students during “seat work”, and reading a story to a group. Thank you to the entire Rodgers staff and Mrs. Sweeney for inspiring the future educators of tomorrow.

- NJGPA - GHS will be administering the NJGPA the week of March 14th to approximately 150 juniors. This coincides with the half-day schedule, a much-needed adjustment when testing.
  - Tuesday, March 15th, 7:50 AM-11:30 AM - Math Testing
  - Wednesday, March 16th, 7:50-11:30 AM - English Testing
  - NJGPA Make-ups

    - Wednesday, March 23rd, 7:50-11:30 AM - English Testing

    - Thursday, May 19th, 7:50-11:30 AM - English Testing
    - Friday, May 20th, 7:50-11:30 AM - Math Testing
- Rowan - GHS has partnered with the College of Engineering at Rowan University to offer our students STEM activities. The proposed activities align with our school district's science curriculum and will utilize the detention basin to collect water samples. The focus is on green engineering and the protection of our watershed

#### **ATHLETICS/VISUAL AND PERFORMING ARTS (V&PA)**

- GHS was honored to receive the 2021 Field of Excellence Award. This award reflects the hard work and dedication of our grounds crew.

#### **OPERATIONS**

- Security Panel - Entrance to GHS needs a security panel.
- Fob Reader - An additional fob reader is requested for the outside of the Trainer's Room. This will allow ease of access in the event of a medical emergency.
- Health Office - A new health office is needed in the immediate future to ensure student confidentiality and adequate storage space.

#### **PUPIL PERSONNEL SERVICES (Guidance/SAC/CST)**

- Schedule/Course Meeting for 2022-2023 - Every Monday @ 8 am w/Admin

#### **BULLDOG PRIDE**

- **GHS Spotlight Students:** Congratulations to Kimberly Torres (grade 9), Danielle Ball (grade 10), Emily Soriano (grade 11), and Angelo Jackson (grade 12) for being recognized as our Spotlight Students this month for showing the six pillars of character (Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship).
- **GHS Seniors of the Month:** Congratulations to Tamara Cooper and Dallas Hohney on being selected as our Seniors of the Month. This nomination is the highest honor one can obtain at GHS, as those selected truly represent what it means to be a bulldog. Each senior selected now enters in the running to receive the most revered award presented at Glassboro High School, the Faculty Bowl. This award is given to one member of the graduating class who, in the judgment of the faculty, has made the greatest contribution to the school.
- **DECA** - On February 8th, GHS's DECA team won the NJ High School County Consumer Bowl Competition. As a result, they will be moving on to the Regional

Competition in April. Please help us to congratulate the team which consists of Olawale Osinowo (Captain), and members Robert Morgan, Reice Griffin, Jacob Salgado, and Anna Holland.

- **GHS Mock Trial**

- On February 9th, GHS's Mock Trial team won their fourth straight match defeating Pitman to go 4-0. Our defense team was led by lawyers Katelyn Kurke and William McCulley along with witnesses Michael Graves, Mishelle Hernandez, and Emily De la Cruz Hofer.
