Zaivon Burt-Graves also scored. Amari Sabb ran for 149 yards. Ziaire Tate and Caron Wright also had offensive yardage. Caron, Brandon Simmons, and Jerome Foster had sacks and, along with Damere Lassiter and Carter Kensil, had a bevy of tackles for losses.
- Congrats to the boys soccer team for their 1-0 win over Burlington City in the first round of the South Jersey Group 1 playoffs. Gavin Dillard scored the winning goal, assisted by Atakan Ozdemir.

- Good luck to the field hockey team as they play in the first round of the South Jersey Group 2 playoffs!
- A huge congratulations goes out to Elijah Whitaker for shocking the state by winning the South Jersey Group 1 cross country championship in a dramatic battle to the end. Elijah is Glassboro's first South Jersey cross country champion in 27 years!
- **GHS Spotlight Students:** Congratulations to Ison Keith (grade 9), Kareem Blake (grade 10), Celeste Moravec, (grade 11), Case Startare (grade 11), Michael Graves (grade 12) and Julia Armenia (grade 12) for being recognized as our Spotlight Students this month for showing the six pillars of character (Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship).
- **GHS Seniors of the Month:** Congratulations to Gavin Wyllie and Gabriella Randazzo on being selected as our Seniors of the Month. This nomination is the highest honor one can obtain at GHS, as those selected truly represent what it means to be a bulldog. Each senior selected now enters in the running to receive the most revered award presented at Glassboro High School, the Faculty Bowl. This award is given to one member of the graduating class who, in the judgment of the faculty, has made the greatest contribution to the school.

UPCOMING EVENTS

- PAC Meeting - 11/1

CST: October Seniors of the Month/Faculty Bowl:

1. **Gavin Wyllie:** Gavin can be described as sincere, authentic, and compassionate. He tends to show acts of kindness without any need of recognition or validation. He presents with strong moral character and acts with integrity. He is quiet by nature, but his strength and leadership skills come through in his actions.
2. **Gabriella Randazzo:** Gabriella can be described as kind, creative and thoughtful. She is actively engaged in a variety of school activities and is always willing to help out. She is honest, reflective and a team player. She does what is right because it is the right thing to do, regardless of who is watching.

Spotlight: Seniors

1. **Michael Graves:** Michael is confident, charismatic, and a young man of many talents. He is a strong student, leader, and talented vocalist and actor. To see him on stage is to see him shine, but he is also extremely effective behind the scenes. His ability to get students to collaborate, compromise, and agree in order to meet common goals is impressive for someone so young. He has strong work ethic and gives his all to the things that matter to him.
2. **Julia Armenia:** Julia is a strong, vocal, and actively engaged student who is true to who she is. Her confidence and determination comes through in personality as well as her actions. This inner strength not only makes her a strong advocate for herself, but for others. Julia's determination and courage is truly admirable and she is a pleasure to work with.

Spotlight: Juniors

1. **Chase Startare:** Chase is one of the kindest people who walks the halls of Glassboro High School. He is always smiling and positive and goes out of his way to make others feel better. He is a hard-working student who puts forth his best efforts every day. He is also so grateful and appreciative to anyone who provides him guidance and support. Chase's warmth comes through in his social interactions. You just feel better after talking with him.
2. **Celeste Moravec:** Celeste is an intelligent and thoughtful young lady who fights for what she believes in. She is truly an advocate for social change and actively tries to engage others in the conversation. For someone so passionate, she also knows not to take herself too seriously. She personifies the idea of "*you must be the change you wish to see in the world*"

Sophomore: Kareem Blake has attempted to and been successful at embracing his life and stepping out of his comfort zone. He decided to go out for an acting role with the play last year and was able to hold his own. The cast congratulated him, and he felt like he belonged. Kareem is always trying to make new friends and help others feel comfortable and connected.

Freshman: Ison Keith - he is such a mannerly student and is always willing to help others without being asked. During the homecoming game, some of the middle school students were acting a bit aggressive around the other patrons standing in line. He told several of the middle school students that they needed to be careful and calm down. The students said "okay" and were mindful of their language and behaviors around others. Ison represents a quiet leader who offers respect to his peers and adults alike.
