Educational Happenings & Community Involvement Activities:

PreK and Kindergarten Placements are expected to be released for all registered students in the middle of August. Their placement letter will also include a Newsletter with updated information needed for the J. Harvey Rodgers School.

We have also continued our partnership with Montclair State & the NJIETA Sustainability Grant. The grant promotes access, participation, and support in early childhood inclusive education. This is a 4-year project to help us “level up”, making our preschool classes even stronger. On July 14th, Cathy Torbik and Roseanne Yezzo met to discuss the results from the Quality Indicator Assessment Tool that was completed throughout the 2021-2022 school year from the NJIETA Sustainability Team at the J. Harvey Rodgers School.
