V. Educational Happenings & Community Involvement Activities

- The Rodgers students and PTO continue to support our “box top” initiative. This year the funds were utilized to purchase new leveled library materials for our media center; specifically Levels D & E.
- Mrs. Hars hosted our annual Kindergarten soccer competition during PE classes this month.
- May and June are class trip months at Rodgers! Throughout the last several weeks our students visited the Rowan University Planetarium, the Glassboro Public Library and the Philadelphia Zoo! Everyone had a wonderful time as we solidified a year of learning through experiential activities!
- *Rodger’s Goes Country* was the theme of this year’s Spring Concert. Our students had a fantastic time singing and dancing for the community, and Mr. Taibi had the opportunity to perform on his guitar! Thank you to Mary Shipley for another wonderful event!
- The Kindergarten students took a trip to Bullock this month to help prepare them for 1st grade! Our students got to meet Mr. DePalma, some teachers and students, and toured the building. A Parent’s Night also took place that evening at Bullock. There was a fantastic turnout and our parents enjoyed learning about the instructional programming in 1st grade.
- This month’s Student of the Month Category was *Most Improved Student!* Congratulations to all the students who received this honor!

VI. Committee Updates and Professional Development

- Faculty Meeting – Grade Level Collaboration
 - Budget Planning
 - Class Lists
- Data Review/Team Meetings
 - Rodgers holds regular small group meetings to formally review student achievement data. This year, meetings will be one-on-one with each staff member during a predetermined time.
- PTO Meeting
 - Field Day Planning
 - Fall Planning
- Professional Development – *See Attached Report*
