### V. Educational Happenings & Community Involvement Activities

- May and June are class trip months at Rodgers! Throughout the last several weeks our students visited the Rowan University Planetarium, the Glassboro Public Library and the Philadelphia Zoo! Everyone had a wonderful time as we solidified a year of learning through experiential activities!
- *Rodgers Goes Country* was the theme of this year's Spring Concert. Our students had a fantastic time singing and dancing for the community. Thank you to Mary Shipley for another wonderful event and to the Rodgers community for their flexibility and understanding as we adjusted our routines to align to the current security initiatives.
- The Kindergarten students took a trip to Bullock this month to help prepare them for 1<sup>st</sup> grade! Our students were able to meet the staff and toured the building. A Parent's Night also took place that evening at Bullock. There was a fantastic turnout and our parents enjoyed learning about the instructional programming in 1<sup>st</sup> grade.
- All "end of year" routines have been completed. The Pre-K team assisted in the development of Kindergarten class lists and the K team completed articulation forms to facilitate the development of class lists for 1<sup>st</sup> grade. All certified staff completed PDP's & SGO's.

### VI. Committee Updates and Professional Development

- Faculty Meeting – Grade Level Collaboration
  - Budget Planning
  - Class Lists
- Data Review/Team Meetings
  - Rodgers holds regular small group meetings to formally review student achievement data. This year, meetings will be one-on-one with each staff member during a predetermined time.
- PTO Meeting
  - Field Day Planning
  - Fall Planning
- Professional Development – *See Attached Report*

### VII. Staff Evaluations – All PDP's & SGO's were finalized throughout June.
