Educational Happenings & Community Involvement Activities:

On April 30th, our Kindergarten students did a virtual field trip to the Rowan University Planetarium. Students learned about the planets and the constellations are visible in the sky. It was an interactive virtual stargazing presentation for all of our in person and at home learners.

We have continued to provide synchronous learning for our Cohort C (all remote) students during the school day by Kindergarten teacher, Mrs. Gianna Leto for Foundations and Math on Mondays, Tuesdays, and Wednesdays and Foundations and Writing on Thursdays and Fridays. This provides an opportunity for our all-remote Kindergarten learners to receive the lessons necessary to stay on pace with the in-person students. Throughout the month of April our Kindergarten teachers were also provided synchronous learning times during the school day for our all-remote learners to join in on Read Alouds each day.

Throughout the month of April, we learned about the following topics through Morning Announcements: Spring Celebrations (Easter, Holi, Passover and Nowruz); National Gardening Day; World Art Day; National Stress Awareness Day; Officer Marchese & Gunner Appreciation; Kildeer Birds (we had our very own nest on our playground!); Earth Day; Painted Lady Butterflies; National Superhero Day; International Dance Day; Arbor Day.

Throughout the month of April, Mrs. Sweeney has continued to meet with grade level representatives to discuss pacing for Kindergarten Eureka Math, Foundations, Strategies for Writers, and Whole Group Reading. Mrs. Sweeney has also continued to meet with the PreK staff to discuss Creative Curriculum The Cloud and ReadyRosie, our online parent communication tools for the 2020-2021 school year.
