- Summer School-
 - Over 40 students attended remedial/enrichment summer program at Bowe. Eight teachers provided instruction in EIA, Math, Social Studies, and Science.
 - Students also received individual and group counseling. Students received breakfast each morning as well as transportation to and from BOWE.
- I&RS-
 - Bowe I&RS Team met in July to set a schedule of 24/25 meetings as well as developing criteria for development of Action Plans. I&RS teams meet monthly beginning 10/15.
- SAFETY AND SECURITY
 - Drills were conducted as required by law during summer school in July and August.
- BUILDING AND GROUNDS
 - Custodial crews and grounds staff are working hard to prepare for opening on 9/5. Recently ground crews have worked on painting outside

fire lanes. Teachers will be invited to work in their classrooms as crews complete their work, hopefully @8/25 or earlier.
