Investment Cost for Bags		Quotes in Progress			

Breakfast After The Bell

**Providing Students With The Fuel To Power
Through A Busy School Day & Meet Their Goals!**

Did you know?!? Studies have shown that students provided an AM energy boost are better able to focus & learn.

Starting in September, Nutri-Serve Food Management and Glassboro Elementary Schools (Bowe, Bullock, Rodgers) will be teaming up to provide a *Breakfast After the Bell Program*. This method of breakfast service provides participating students with a healthy breakfast without having to arrive earlier to school or cutting back on learning time. Breakfast jumpstarts your metabolism (rate at which you burn calories) for the day and studies have shown that students who consume breakfast perform better in the classroom because of a greater ability to focus.

GOOD NEWS!!! As a federally funded program, Glassboro's Breakfast After the Bell Program will be offered free to all students!

So if you choose to participate, the program will be at no cost to your family. If you do not want your child to receive a free breakfast please send a note in with your child containing your child's name, teacher's name, and grade. Our *Breakfast After The Bell Menu* offers an array of healthy choices compliant with The New Federal Nutrition Guidelines.

Breakfast will consist of one **Entrée, Fruit & Low Fat White or Chocolate Milk.**

Sample Entrées include:

- Low Sugar Cereal with Graham Crackers
- Yogurt with Graham Crackers
- Cini Minis with Cheese Stick
- Nutri-Grain Bar with Graham Crackers
- Mini Bagels with Cream Cheese
- Chocolate Chip Bar with Graham Crackers
- Pillsbury Frudel (Danish Type Breakfast Bar)

If you have any questions please do not hesitate reaching out,
