

Bullock's Garden Classroom

began with a seed...

**an idea
to create
an outdoor
classroom for
Glassboro's
children.**

Benefits of a Garden

- Real-life connections
- Nutritional outlet for Glassboro
- Recourse for low-income families
- Opportunity to serve
- Convert “Food Desert” into a “Food Harvest”

Curriculum Integration

- Meet Common Core
- Increase Engagement
- Nutrition Awareness
- Hands-on Curriculum

Math: Measurement, data, timelines

Science: Question, experiment

Reading: Research, non-fiction texts

Writing: Collaboration

Character Ed: Community Service

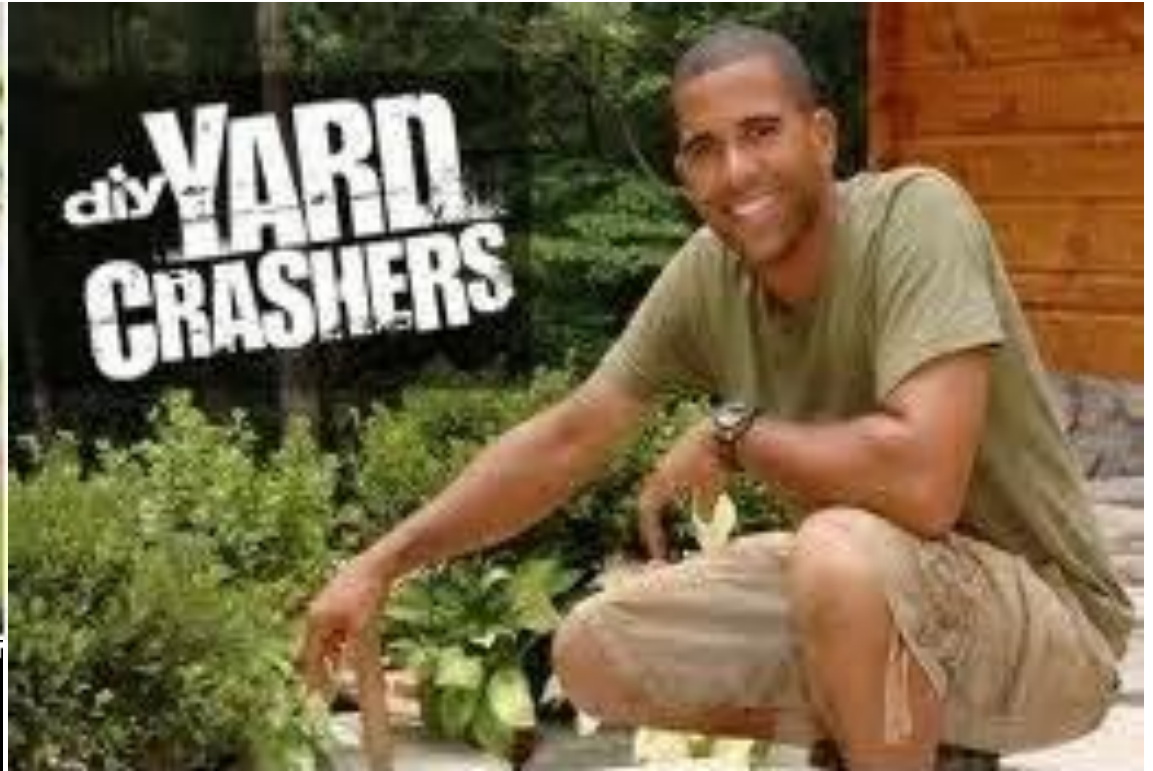

Long Term Plan

- Garden Committee
- School-wide Partnership
 - Nutri-Serve
 - PTO
 - Parent Volunteers
- Community Outreach
- Maintenance

A Shared Vision...

Mike Pasquarello

Ahmed Hassan

What was once an empty space...

8 Pineview Avenue • Berlin, New Jersey 08009

Imagine the possibilities...

Let's make our vision a reality!

Why a Garden?

Our garden will **CULTIVATE** our children's natural curiosity and harvest a love for learning.

Children will g r o w while they explore.
