Substitute Driver

Recommend approval to add Shyretta Withers as a contracted driver for the remainder of the 2017/2018 school year.

Due to a new location for one of the out of district placements, an existing run had to be split into 2 runs to accommodate the new location, thus creating the need for another contracted driver. Ms. Withers has been an exemplary substitute and would be a definite asset to our district.

Positives: With this new location, it made it possible to bring an out of district student's transportation back in house as the location of the new school is in close proximity to the other school. This will result in a savings to the district.

Concerns: The major concern is that contracting Ms. Withers as a driver is further depleting our substitute pool.
