Re: Spring 2025 Bus Evacuation Drills

Recommend Board approval of the Spring 2025 bus evacuation drills as attached.

Transportation Department

April 17th, 2025

To the Glassboro Board of Education and Administration,

Please see the attached Bus Evacuation Drill Forms, which were conducted between April 7th to April 14th. Each school, both in district and out of district, and each route, has successfully completed the bus evacuation drill, and was observed by an administrator at each school.

Bus evacuation drills are conducted twice per school year to ensure the safety of all students, bus aides, bus drivers, and staff during an emergency. These drills are mandated by NJAC 6A:27-11.2

Please do not hesitate to reach out with any questions.

Thank You,

David Andrews Jr.

Assistant Transportation Supervisor

SCHOOL BUS EMERGENCY EVACUATION DRILL REPORT

School Bus emergency evacuation drills shall be conducted twice each school year according to the New Jersey Administrative Code (NJAC 6A:27-11.2).

Emergency evacuation drills and safety education

(a). School administrators shall organize and conduct emergency exit drills at least twice within the school year for all students who are transported to and from school.

1. All other students shall receive school bus evacuation instruction at least once within the school year.

(b). The school bus driver and bus aide shall participate in the emergency exit drills.

(c). Drills shall be conducted on school property and shall be supervised by the principal or person assigned to act in a supervisory capacity.

(d). Drills shall be documented in the minutes of the local board of education at the first board meeting following the completion of the emergency exit drill. The minutes shall include, but are not limited to, the following:

1. Date of the drill;
2. Time of day the drill was conducted;
3. School name;
4. Location of the drill;
5. Route number(s) included in the drill; and
6. Name of school principal, or person(s) assigned, who supervised the drill.
