**Board approval to add one (1) midday pre-k route for Rodgers school to the previously approved 2015-2016 bus route roster.**

**The department is experiencing an unanticipated number of pre-k students which is causing issues with time constraints and load number. There are currently three (3) midday buses and adding another bus would allow the buses to pick up and drop off students more effectively.**

**Impact on the district is a currently contracted driver will have 6.5 daily hours instead of 5 daily hours. Cost is approximately \$5440/school year.**
