**To:** Henry, Scott; Silverstein, Mark  
**Subject:** Stop Analysis

Here is a workbook listing every stop for every route. It shows the school serviced and shows the grades of the students at each stop. Each stop has been classified as either Mileage (remote from school, over 2 miles PK-8 and over 2.5 miles HS), Courtesy or Hazardous or IEP (transportation mandated by IEP). Let me know if there is anything else you need.
