RE: Agenda Item – CO Detector Bids

Bids were received and opened for the installation of CO detectors at all schools on March 12, 2019. FVHD has reviewed the bids and recommended a contract be awarded to the low bidder, Lee Way Electrical. I am requesting board approval to advertise the above noted projects. (Motion attached)

Recommend that the Board of Education accept the base bid submitted by Lee Way Electrical, LLC for Carbon Monoxide Detectors, Six Schools throughout the Glassboro School District, and to authorize Fraytak, Veisz, Hopkins and Duthie, P.C. to issue Notice of Award to the successful bidder, pending review by district legal counsel. Summary of bids received:

Contractor	Lee Way Electrical	Advanced Electrical	Kelco Electric	MJF Electrical Contracting
Base Bid	\$110,000.00	\$177,400.00	\$140,600.00	\$115,000.00
