

**GLASSBORO SCHOOL DISTRICT**  
Monthly Board Items

**Date Submitted:**  
December 10, 2019

**Proposed Effective Date:** Upon approval

---

**Submitted by:**  
Jennifer Johnson, Business Administrator  
George Weeks, Director of Technology

---

**Proposed cost/amount:**     \$5,920

**Funded Through:**  
Bond Referendum

---

**Board Action Requested:** Recommend approval to contract with CORE Business Technology Solutions in the amount of \$5,920. Core BTS will work with the school district and Singlewire to complete the deployment of the School Messenger plugin allowing the expansion of delivery of alerts into the School Messenger application to contact police department and district emergency response personnel. This will put the lockdown button on each phone and alert all of the recipients the police department has requested simultaneously.

**Details and Ramifications:**

Once Integration Is completed and tested Glassboro School District IT staff will handle configuration of alerts and messages inside the School Messenger platform. Core BTS will be focused on this project in the integration of the Singlewire and School Messenger platforms via the plugin module.

**Positives:**

This will provide immediate communication to parents, staff, students, and the community when the situation warrants.

**Concerns:**

The current technology department is not staffed to implement this immediate service.
