Administration has decided that Pre-Kindergarten services will be provided in the form of ELL specialist to teacher collaboration as needed. Kindergarten will receive daily skill-based lessons in addition to read aloud vocabulary instruction. Grades first through third will receive daily push-in or pull-out instruction with content instruction, and language arts skill support as well as in the upper grades. Additionally, a Bilingual program has been initiated to address the specific needs of the Spanish-speaking population in grades First and Second. They are in need of a bilingual teacher for kindergarten and third grade. Additionally, the program would flourish with the support of bilingual aides.

For the month of June, all registered ELLs who were in attendance were taught with ESL instruction. Translation services were provided as needed this month for positive phone calls needed to be made for homeroom teachers, in addition to Mrs. Johnson's normal positive phone calls, and other inquiries.

No additional conferences nor workshops were attended this month. However, she plans on volunteering and attending the district's Dyslexia Conference in August.
