As of June 18, 2021 there were 15 students enrolled in the AEHS program, five have an IEP. We are happy to report that seven seniors were able to finish and graduate on time.

Teachers and administrators have been in Webex meeting room each night to assist students as needed, as well as in person to meet with our students attending in that way.

Students are monitored for attendance through the Webex meeting room, APEX work progress log, and email contact.
