Board Action Requested:

Clear Touch Interactive Panel training for teachers new to the device at Rodgers and Bullock Schools; Ambassador training for teachers to serve as building-level coaches to other staff.

Details & Ramifications:

Eight (8) Rodgers and Bullock teachers would be compensated over the summer at the contracted hourly rate (\$40) for 12 hours of training with the vendor, EducateMe, on the Clear Touch Interactive Panels.

Positives:

After the 12-hour course, these teachers will be considered Clear Touch Ambassadors for their respective buildings, enabling them to conduct turnkey, in-house workshops.

Concerns:

We will need to find a space to conduct this hands-on training during the ongoing construction at Bullock, where we can wheel in several panels to one common area (possibly the Media Center).

Other Comments:

This training would take place in August after the extended year school has ended.
