Re: March Agenda Item

Recommend the board approval for the purchase of 11 Clear Touch Panels, brackets, stands, warranty, and installation from Educate-Me.Net, using APR-ESSER (ESSER III) funds as budgeted. (attachment)

Vendor: Educate-Me.Net

Quote: #1444

State Contract #T0114/Bid #17DPP00111

Amount not to Exceed: \$50,819.00

These panels will be installed at Rodgers School, which is the only school not to receive interactive displays as of yet.

Some schools will be receiving relocated panels from the GIS closing, but the purchase of these new panels will round out our district, making us completely outfitted with interactive display panels in every classroom.
