### Board Action Requested:

Recommend approval of four Co-operative athletic programs with Clayton HS for the school years of 2017-18 and 2018-19.

### Details and ramifications

Co-op programs are approved by the NJSIAA at two year intervals. Glassboro Public School will be the Lead Education Agency (LEA) for boys/girls tennis and boys/girls swimming and be responsible for any and all financial responsibilities associated with running the athletic program. Clayton Public Schools will be the LEA for wrestling and golf.

### Positives:

Our students will have the opportunity to compete in a sport that we do not offer our students. They will experience the opportunity to develop new friendships with students from other schools.

### Concerns:

Transportation would be the only issue as we have only one student participating in golf who is an underclassmen and returning for next year.
