Board Action Requested:

Recommend approval to have a Co-op Boys and Girls Tennis teams with Clayton H.S. for the 2015-16 school year.

Details and ramifications:

Glassboro HS will be the Local Educational Agency (LEA) for both men's and women's teams. Clayton HS does not have any tennis courts in their community to have their own program and I do not anticipate having more than 4 or 5 students coming from their district.

Positives:

Provide their students the opportunity to compete in tennis and promote a healthy lifestyle activity. The additional students will make our program more competitive. Currently, we average from 14 to 18 students finishing either, fall or spring season, so there will not be a need to hire an assistant coach.

Concerns:

Clayton H.S. will provide their own transportation. Transportation after practice/meets will not be provided.

Other Comments:

Each school's BOE must approve Co-op program and then the Tri-County Conference must approve program before the NJSIAA can approve the program.
