DATE: April 28, 2015  
RE: Agenda Item for April 29, 2015

In an effort to keep the selection of a Construction Manager/Clerk of the Works on schedule, I recommend the Board motion below which was provided to me by Parker McCay.

The Board to authorize the Business Administrator to solicit proposals for Construction Manager/Clerk of the Works services, and to utilize a Request for Proposal in a form acceptable to both the Board, Board Architect, and Legal Counsel.

WSP/b
