### Board Action Requested:

Recommend approval of cooperative athletic swim program and wrestling program for student's grades 9 through 12, with Clayton High School for the 2014-15 school year.

### Details and ramifications:

Glassboro School District will be the lead educational agency (LEA) for the swim program. Clayton School District will be the LEA for the wrestling program. We will assume financial obligations involved with running the swimming program.

### Positives:

These two co-operative programs have provided opportunities for students in both school districts and we would like to continue with the programs.

### Concerns:

The NJSIAA requires that both schools boards of Education and the conference must approve the cooperative program before they will consider an application. Clayton H.S. would be responsible for busing their students to Rowan University for practices.
