Dr. Al Lewis, Superintendent
Glassboro Public School District
560 Joseph Bowe Blvd.
Glassboro, NJ 08028

Dear Dr. Lewis:

Please accept our sincere gratitude for your support of our mission. Glassboro's official food pantry, we feed and clothe members of our community who struggle. As government resources for needy families dwindle, your initiative to share donated food among local service organizations provided a needed boost to our supplies. In November, we served 346 families totaling 983 individuals. This represents 423 more people than we served in August. Our numbers grow weekly as we register new families who need our assistance and qualify for our services.

Throughout our 24 years of service, we have enjoyed the support of parents, students, teachers and the administrative staff at Glassboro Public Schools. Thank you for continuing the traditions that support and sustain our center, as we provide assistance to the residents of our community.

Best wishes for your own health, safety and well-being as you begin your journey as superintendent of Glassboro Public Schools.

Yours truly,

Ingres H. Simpson, President
