Re: Agenda Item for June 14, 2022

Recommend Board approve Christian Albadine to take course MBA 6070 Accounting for Strategic Business Decision Making through William Patterson University as he works towards a Master of Business Administration. Mr. Albadine plans to take one course per session. Recommend also that the board reimburse the cost of the course pending receipts and transcripts of a grade of "B" or better. Total cost for course MBA 6070 Accounting for Strategic Business Decision Making is \$1,425.00.
