Re: Action Item  
September 23, Board Meeting

---

Requesting Board approval to adjust the following staff members on the curriculum development list in order to develop curriculum from July 1, 2014 until May 1, 2015 at the current miscellaneous pay rate of \$35.00 per hour: Remove Lynn Hartman and give her 5 hours of curriculum development time for English IV to Rob Preston. Mr. Preston would now have 10 hours to develop the English IV curriculum.

Funding was budgeted for in the 2014-2105 budget.
