## **BULLDOG PRIDE**

- On September 5th we welcomed both our first grade students and our new students at orientation. We had a great turn out! Four of our 5th grade students came to school that day to serve as tour guides for our families. They did an excellent job highlighting everything at Bullock School.
- At our first faculty meeting, staff participated in a character activity led by our Champions team. The activity involved writing positive messages to their colleagues and peers. The staff really enjoyed it and many have the messages hanging in their classrooms.
