BEAM-Biomedical Board approval of the attached list of a Rowan Professor and students to Partnership-Rowan participate in virtual interaction with GHS students as part of the Biomedical partnership BEAM: Bioengineering and Me effective January 2021. BEAM is a partnership with Rowan University and Glassboro High School's Biomedical Academy and Biomedical Co-Curricular Club. This will replace the name of the current KINDLE Program that has been running since 2016. The mission is to inspire high school students to attend college and major in the field of Biomedical Engineering. Undergraduate students, graduate students and professors will work to build community with the high school students to create interactive, informative content to share and encourage students to enter this field.
