Re: Glassboro High School Discipline Reports

Dear Mr. Smith:

Per your request, we are providing the chart below that summarizes the discipline reports issues at the Glassboro High School during the periods you had requested. We broke it down by calendar year so that you can better compare the data.

Period	1/1/13 – 12/31/13	1/1/14 – 12/31/14	1/1/15 – 11/30/15
Discipline Count	571	761	735
*Reportable Incidents	8	25	**13

The Glassboro Board of Education will be presenting an overview of the data during the December 16, 2015 Board Meeting. The data will be disaggregated by race and gender and will include strategies initiated and planned to promote achievement of desired goals. We welcome our participation and encourage your involvement in the upcoming Strategic Planning process.

Sincerely,

* Please note the statistical data contained in the 'Reportable Incidents' is a reflection of incidents that are reported to the New Jersey Department of Education, for violence and vandalism tracking. It should be noted that not all SRO interaction or involvement is tracked or included in the above statistical information.

**Data contained in the 'Reportable Incidents' 1/1/15-11/30/15 column is a reflection of reporting period two (01/01/2015 thru 06/30/2015) from the 2014-2015 reporting term. Statistical data for reporting period one (07/01/2015 thru 12/31/2015) from the 2015-2016 reporting term has not yet been finalized and is not available to include in this data request.
