**Board Action Requested:**

Request that the Glassboro BOE accept a donation of a gas dryer and standard washer (both 120v plugs) to the Bowe School.

**Details and ramifications:**

We have a need for a washer and dryer for student use. These items would benefit our MD program and beyond – creating an opportunity for life skills instruction and also an option for students who do not have ready access to washer/dryer at home.

**Positives:**

Life skills instruction and access to washer and dryer for students who might not have ready access at home.

**Concerns:**

We need to fund installation and are currently working on doing so.
