Re: Indoor Batting Cage Donation

Recommend that the Board accept the donation of an indoor batting cage and the equipment necessary to construct the indoor batting cage valued at approximately \$2,400.00 provided by the Glassboro Little League. The donation of these items will be utilized by the Glassboro High School Softball, Baseball, PE department, Glassboro Little League and other after-hour groups to take advantage of indoor practice space.

GLASSBORO LITTLE LEAGUE, INC.

Serving Our Community Since 1949

January 3, 2024

Mr. Lynch, Glassboro School District, & Glassboro School Board,

On behalf of the Glassboro LL Board of Directors, I would like to donate all of the materials needed (attached) to be used to construct an Indoor (Retractable) Batting Cage to Glassboro High School for use in the school's Auxiliary Gym. The main purpose of the cage is for the high school softball and baseball teams to use in case of inclement weather during their season. We would like to also request access for Glassboro Little League players (When the gym is not in use, during hours allowed by the School district, and having scheduled times according to the policies of the Glassboro School District).

Sincerely,

Timothy J. Dempster

President
Glassboro Little League
