Subject: Edcamp Glassboro/Chromecamp Unconference

Hello Friends!

You may have heard that Glassboro is going to host its **first-ever Edcamp on March 10, 2018!** Edcamps are FREE "UNCONFERENCES" where educators meet to DISCUSS topics of their choice. Visit <https://www.edcamp.org> to learn more. We are very excited to move "Full STEAM ahead" with Edcamp Glassboro! If you would still like to join the planning committee, we would be thrilled to have you! Just let me know!

While you are waiting, there is an EdcampNJ this weekend in New Brunswick, NJ. The registration window is closed, but you can register at the door. I will be out of town visiting my daughter at college, but I wish I could attend this one--it was awesome last year! Check it out at <https://www.edcamp.org/content/11182017-edcampnj>.

In addition, there is an Edcamp called "Chromecamp" happening in January in Harrison Township. I am definitely going to this event and would love for you to join me! This one will be all about ed tech! Register here at <http://www.chromecamp.net/>

Edcamps provide certificates and hours, and most supply free breakfast and/or lunch. Let's represent our district and have a great time!
