Recommendation: Board ratifies Judith Shone-Tamaska, part-time nurse at the Dorothy L. Bullock School, to be paid for additional hours as needed for the 23- 24 school year. Mrs. Tamaska was granted approval to do this last year, due to the number of students in the building. Our numbers have increased this year causing a need for additional support. This money would be taken from Title funds and the pay rate would be \$41 per hour.
