Board Action Requested:

TEBMS is requesting that Extended School Day (ESD) is added to our Code of Conduct. This ESD will take place after school from 2:45-4:45 at which time the late bus from the HS will pick up any Bowe MS student and take them home. All TEBMS staff members would be approved to work ESD (as they are for ASD). We are asking the Board to approve this action.

Details and ramifications:

TEBMS's suspension numbers have been higher than desired through the first two months of the 2024-2025 school year. Right now, our only consequences are lunch detention, administrative (afterschool) detention, and Out of School Suspension. The Extended School Day would be added as an additional mechanism to handle discipline, before sending students out of school for certain offenses.

Positives:

The addition of ESD to the Code of Conduct will add another layer of consequences prior to a student getting suspended for certain offenses.
