Club Name: College Readiness Club

Date: 3/16/2021

Advisor's Name(s): Mr. Tarasevich, Ms. Dockins, Ms. Armstrong

Club Officers: Katelyn Kurke, Jillian Smith

Type of Club:

Estimate cost to conduct club (fees,etc):TBD

Mission Statement/Goals

The goal of this club is to make resources available to students who wish to go to college or university after high school: study materials for SAT/AP tests, tutoring, and assistance finding extracurricular activities that students are passionate about (outside of school - for example, science fairs or assisting with research).

Activities

The club will meet periodically to discuss what members feel that they need most. We hope to create a system for students to help each other by fostering communication outside of meetings. We will have guest speakers like admissions officers or professors and once it is safe to do so, hope to make field trips to local colleges/universities.

Time frame (start/finish): Full school year

Meeting Dates: Mondays and Thursdays at 2:40

Where do you plan to meet? (school facilities): A136 once possible, virtually for now

How will this club enrich our school/community?

This club will make students more aware of their opportunities and potential and will create a team of like minded students who wish to further their education and help each other do the same. It will also provide knowledge about testing, college applications, and other opportunities from students going through (or that have recently gone through) the same things.
