

## Food Service Dashboard© Glassboro - March 2021

The Food Service Dashboard© is designed to monitor, track, compare and measure the operational and financial metrics of your food service program. This tool assists us and your FSMC to proactively identify program strengths and weaknesses. Edvocate then works with your FSMC to focus their resources toward improving areas of weakness, and achieving improved results. Additionally Edvocate ensures that your FSMC is taking full advantage of program strengths with regards to revenue maximization, and cost efficiencies.

On the following pages are the Dashboard's month and year to date results for your food service program displayed in an easily read graphical display.
